

Adult Preventive Services Covered Under the Affordable Care Act

As part of our ongoing efforts to keep our Clinical Integration Network IPA, LLC and Northwell Health's Premium Network providers informed of healthcare reform changes that could impact them, the following preventive services must be covered with no cost-sharing on the part of the patient.

This policy went into effect September 23, 2010 as per the U.S. Department of Health and Human Services (<http://www.hhs.gov/healthcare/facts/factsheets/2010/07/preventive-services-list.html>).

15 Covered Preventive Services for Adults
